Dear Honorable Judge Larry Hicks:

On 10-22-09, the CMKX Shareholders' Coalition for Justice (COALITION) puts out its first PR in which it introduces the malfeasance of the Securities and Exchange Commission (SEC) and promulgates its intent to commence legal action against the SEC.

Furthermore, in said PR, the COALITION urges shareholders of other companies to commence similar actions or to join the COALITION in forming a coalition of companies to file legal action against the SEC.

The COALITION will soon be putting out a second PR, which is predicated upon the enclosed PAPER, in which it will provide EVIDENCE that establishes the malfeasance of the SEC.

Therefore the COALITION respectfully submits that Civil Action No. 2:08-cv-0437, 4-7-08, United States District Court, District of Nevada, could be incomplete, inaccurate, and inadequate as delineated by the enclosed PAPER.

Furthermore, the COALITION respectfully requests that you enter said PAPER as a COURT DOCUMENT in said civil action and designate the COALITION as an INTERESTED PARTY in said civil action.

Respectfully,

CMKX Shareholders Coalition for Justice
